nets here and there spead over the coarse stiff grass. Weatherbeaten men in boots -broad-breasted, well set up- move dowly to and fro, stopping to mend the wind ruftles the river; the waters are gilded by a sun that blazed like a conflaand through the clear air gulls circle wings shining like white cotton in the great light. The air is cool, yet it is soft. There is something joyous, something in loxicating in the air. It is the breath of he approaching spring.

In auticipation of the spring and of the had that will then swim up the river, all hose healthy-looking men are getting their nets ready. They will not begin to caton the shad until April 10, but they think it well to have everything prepared in good time. They are called "gillers." there are some 500 of them, dwelling in auts or boat-houses along the stream, and depending mainly on the two months shad dishing for their livelihood through

Then there is a colony of about 40 other men, just summoned to Washingong seine. Albert Rice—Captain Alpert Rice-owns the seine, and the 40 men will work under him at a salary. living in his houses below Washington renowned along the river for its excel-The gillers fish on their own account

and what they catch is theirs. Their nets are made of a cord as fine, pretty nearly, as silk. The delicate mestics catch the shad by the gills, and at the end of a good season's fishing a giller will have some \$350 or \$400 to the good He works day and night, setting out his get at each of the three tides, peddling dead about the waterside streets between imes. A healthy, calm-minded man olessed with an incredible appetite and tex ambitions of a worldly or sorded kind, the galer takes life easy after the shad season, though he will occasionally hen spread a net over some sewer's out let in the river and draw it up treighted with about a ton of carp. The rate long seine net owned by Caparin Alisen. Rice is so old that no one can

emember when it was made. It proba oly dates back, they say at Washington Park, to the old Howell fishery, which Seneral Joseph Howe I started at Glouester in 1850. It was not made in any factory, but by tishermen chemselves. All the shad nets, for that matter, are the andiwork of the mea who use them. The laying out of the huge seine at Vashington Park during the shad season s a signt worth seeing. It is wound on roller in the stern of a thirty-foot boat, dde. The boat moves in a semicircle agross the river, and the not is carefully he stream from top to bottom, and no il di their happens to be within the area of

and then again it will gather in but The men, in two lines, haul it in slow iy. They have hooks fastened to their belts to help them. Whether full or empty, the net is tremendously heavy so that it is impossible to tell until the ast minute the size of the eatch. At the turn of the tide the cast is made. Captain Rice having a little machine. called an indicator, by which he knows are three easts daily--at flood, at obb

Dress Goods, Silks and Kid Gloves.

DRESS GOODS-Fashionable Black Goods as well as Colors are now ready for your inspection. Our strong line of Black Goods, we claim, has no equal in style, quality or price in Gettysburg, and no better values to be had. We have all the popular weaves, viz: Prunnellas, Armure, Shark Skin, Venitian, Granites, Silk Warp, Henriettas, Serges and Lansdownes, in both Blacks and Colors, bought direct from mills and prices the lowest. Something Special at 25c-our 32 inch all wool Trecot Cloth, in 6 or more colors, suitable for Waists and Dresses, and will wear as well as the French Flan-

nels and at less than half the price. Of course we have the French Flannels in all shades. SILKS-We name a few specials in Black Silks. Taffeta Silk, guaranteed, at 89c, 23-in. wide, worth \$1 everywhere; at 50c, wears well and looks well, 19

inch, Black only. Habutia or Jap Silks, 27-in. wide, Black and Colors, very serviceable and cheapest of cheap silks, as they are pure silk, and do not cut, and are ideal for a cool waist. Satin Rhadimer at 89c, 27-in, wide, sold usually at \$1. A full line of colors in Taffeta at 75c, 19 to 20 in. KID GLOVES-A special Glove in all the handsome

new shades, fresh from factory at 69c, 2 clasp, black and colors. OUR GENUINE KID GLOVE AT \$1, Guaranteed, has no superior if any equals, full fresh stock.

Colors to match new shades in Dress Goods.

Store News

YOU MAY ALWAYS look for interesting news from us. It will be well worth your while to read our message to you, for it will help you to decide where to go to make your Spring purchases, as well as to supply your Daily needs. We would like to have you come in and look over the very complete assortment we're showing. Our prices, too, will doubtless interest you, for we have made them what they are with a view of pleasing you. 泰特森特斯森特森特森特森特森特森特森森森森森特森特森特森特森特森特森特森特森特

We announce a SPECIAL Sale of Graniteware, Tinware and Cooking Utensils in general. This is especially for the benefit of our young friends who have taken

upon themselves the duties of Honsekeeping. It will be greatly to the pecuniary advantage of all such to come here to buy their outfit, for we can supply your wants from a Nutmeg Grater to articles of greater size and importance. Drinking Cups,

you want a Washing Machine, Wringer, Tub, Washboard, Churn, Ice Cream Freezer, Express Wagon, Wheel-barrow, Cart, Go-Cart, Baby Carriage, Refrigerator, Ice Chest, Base Balls, Bats, Gioves, Fishing Tackle and Sporting Goods of any descripbefore making your purchases. We can save you money, at the same time giving you better goods for your money than you can get else-

NOVELTIES. We have quite an assortment of useful articles on our 10c Counter. We

can't tell you about them all, just come and see them. Bean's Extractine takes the lead for removing Grease, Paint and Dirt from Clothing, Dress Goods Silks, Woolens, Oil Paintings, Silverware, etc. It will be hard to find its equal.

GARDEN SEEDS.

We have a full line of Garden Seeds and Flower Seeds, just what you

want now. Choice seeds at popular prices. Ask to see them. GARDEN TOOLS.

Hose, Rakes, Shovels, Spades, Forks, and all necessary tools for making good gardens; and tool handles if you need them.

HARNESS. Our Harness is simply fine. Single and Double Harness, Fight and

Heavy. It will do you good just to see it, whether you need it now or not, then you will know where to come when you do want a set Harness. Also Fly Nets, Boggy Whips, Riding Whips and Heavy Wagon Whips, all at prices to suit your pecket-book,

BUGGIES and WAGONS. Great Variety. A carload of Buggies and Surreys coming, just the latest out. 1901 etyles. Also Farm Wagons and Spring Wagons.

OUEENSWARE.

Our Spring assortment of Queensware and Glassware is equal to, if not better than our Holiday assortment and you know what we had then, We now offer you beautifully decorated Dinner and Tea Sets, the latest patterns and designs, at prices far below your expertations. Also Chamber Sets and Novelties in Queensware. You will have to see these goods to appreciate them, and it will pay you to make a special visit to our store just to examine our Queensware.

We have them in great variety. Chip Baskets from 3c up. Willow Baskets, square or oval, with covers or without, in various sizes, prices according to size and quality. Also Clotines Baskets and

Hampers. All cheap at almost double what we ask for them. PENCILS. We have just purchased a fine assortment of the famous Dixon Pencils. "They have tougher, emoother leads, that break less and mark easier

than any other pencils made." We can give you just the pencil you SEED POTATOES.

We expect a carload of Fine Early Rose Seed Potatoes, on which we will

give you a price in our next jesne.

We Give Premiums.

from 10c up we give a coupon which entitle you to a handsome present when you have received ten. twenty, thirty, forty, fifty, seventy five, ninety or a hundred dollars worth of coupons. This is what we will give you for your conpone : Jardineres, Lamps, Chamber Sets, Carpet Sweepers, Sewing Tables, Etc. Come and make your purchases and get a ticket which is worth money to you.

right make and fit-in

ladies' garments of every

kind, is looked after in all

of its details here. The

style, the set, the shape of

gowns and outside wear

garments, that find room

in our stock, is of the top

notch order. The material,

the linings, the tailoring of

a Tailor-made Suit, are the

features to determine its

value. While we make no

assertions of giving Ladies'

Suits worth \$20.00 for \$10,

we do assert that we give

full value in a Suit or Dress

Skirt, in essentials named

above, and we see that it

fits. The plainness of the

Tailor-made Suit is not so

apparent or severe as

formerly. There are in

our Suits the new shapes of

Jackets and Etons, some

with trimming, and the

new flared and cut skirts.

There is the satisfaction of

being well dressed and a

comfort in the buying of

our suits. No tedious fit-

ting—that is so tiresome

when having it made—and

besides it costs no more,

14 to 16 years—made

in Eton Jacket styles,

of Venetian Cloth-

HOW CHICAGO GETS ITS MILK.

FARMERS NEAR THE CITY DEVOTE THEIR TIME TO THE DAIRY BUSINESS

In several countres here thickgo the formers devote all their attention to the production of milk for that city's man ket. This is particularly true in Kane to and in E gin A very small amount of the milk produced wound Flgin is made nto butter. The bulk goes to Chicago either in natural form or codeused. The condensing companies bot tle a great amount in their factories and ship is to the city, where they retail if themselves. The firms where this mill is produced vary in size from forty acre to 400 and ne alv all ne mach ghistate of cultivation, there being an alumnane of manine rukeen the sourcell firtilized There are ruge barns on nearly every fum where ill feed can be stored for winter use. They are all built with bisement where the cows are kept, with plenty of from overlead for his and coin todder, as every hall of corn is cuit and shocked in this part of the country Many tarmers depend alto ether on cor s aiks for rough feed, with perhaps a lit the out straw. The corn is all husked end from i before it is ted , some farmer mix it with buckwheat bran, some with coir bre. but the majority use wheat three times a div just is regularly is they est themselves, for med my cattle must be taken good care of m or ler to get the test results - in y are let out of tie barn twice a day for water and are left out just long encumb to get the barn cleaned out meanwhile and plenty of fresh bedding supplied. They are fast and in at a chions in two rows the length cf the bain with room enough behind to I iss through with a wagon on which to lad the manne. The cows that are ept for a my purposes are not pure bred. but a mixture of many breeds, prince I dly Holsteins and Shorthorns, with a tew Jerseys and Ayrshnes Holsteins are in the inspority on account of their tong very good unkers, although some people claim that their milk is not as iich ii buteer fit is that of some

of the other breeds. A great many makely

SOME OF THE KING'S

EXTRAORDINARY POWERS.

King Edward VII possesses many

very extraordinary powers and privileges

which not many people are aware of, and which it is possible even his Majesty

does not quite realize. Some of his possessions are distinctly curious. As

an example he is the sole proprietor of

the beds of all the British fidal rivers.

such as the Tnames, the Mersey the

Dee, the Tyne, and many others That

part of the shore all round the coast which lies between high water and low

water mark also belong to his Milesty,

and he may put it to any use which he

thinks fit, while theoretically every inch-

of ground in the kingdom still belongs

to hun and not to the landlords It any

of his subjects and new lands they be

long to the King If a Britisher flist

finds the North Pole then the North

Pole will belong to the King | O it as

island should suddenly time in the sea i

It is an old saying that the King car

do no wrong but possibly it is not un

derstood that this is actually and liter

ally the case in Logiand so far as the King and the law are concerned. He

would not be held personally responsible

for any crime or 'tort" which he chose

commit at any time. The law says

such cases that any injury which

night be inflicted upon a suffect in this

vay must be ascribed to the mistake of

the King's idvisers. Upon no pretense

whatever can His Majesty he arrested

nor can his goods be dis aimed or take

n execution in case he did not meet his

His Majesty is exempt from taxition

This comes about by the simple process

of reasoning that as the revenue of the

realm in his precogative, it would be use

ess and absurd for him to tax hims If

 ${f A}$ ny lands, which he purchased privately

would not, however, be so exempt
